Agile

Epic Link:	Admin Module

Description

As a user i would like to have a search/filtering system in order to that i can see user roles and their status.

User name/employee entry should be free text while the role and status should be provided as a drop down list.

Sub-Tasks		Type	Status	Assignee

Agile

Epic Link: Admin Module

Description

As a user i would like to have the posibility to add user where i can give special roles and status in order to limit their access to the application

Each user created sould be display in a list and should have quick action buttons to delete and edit.

[MIN-4] Implementation of the story
Created: 09/Jan/24 6:46 PM - Updated: 09/Jan/24 7:47 PM

Status:	Backlog
Project:	Minodora_Bianca_TMTA18
Parent:	MIN-2 System user searching (Story)
Component/s:	None
Fix Version/s:	None

Type:	Sub-task	**Priority:**	Medium
Reporter:	IT Factory	**Assignee:**	Unassigned
Resolution:	Unresolved	**Votes:**	0
Labels:	None		
Original Estimate:	Not Specified		
Remaining Estimate:	Not Specified		
Time Spent:	Not Specified		

Description

Acceptance criteria :

-aligment: top of the page

-expand/collapse button on top right corner

-user name box : free text

-user role : drop down list where user can select between Admin and ESS

-employee name box : free text, when text is inserted suggestion with already existent user should be provided; if no records match the inserted text then invalid message is displayed and employee name box turns red.

-status : drop down list where user can select between unable and disable

-search button : provides results

-reset button : erase

Environment

test enviorment

Description

When I click on work shifts the language has changed for the entire application.

steps to reproduce:

1. log in.
2. go to admin module.
3. click on work shifts.

actual results: the language has changed from english to german

the admin name has changed.

expected results: the work shifts must appear according to the request.

When we click on any other feature it works normally.
